

DINGLI MICRO SCISSOR LIFT 0507C

**Lightweight, Electric PAV Scissor
Lift for Working Heights of up
to 5m...**

This electric, compact and versatile PAV is easy to use and fits through standard doorways and lifts.

Super lightweight at just 398kg, it's ideal for use in spaces with weight restrictions or finished areas, including data centres.

An oil containment feature eliminates the risk of leaks, the 0507C also dramatically reduces power consumption - the cleaner, quieter and more sustainable choice.
