

DINGLI SCISSOR LIFT 0707DC-XD

Extending Platform Scissor Lift for Safe & Efficient Access to Working Heights of up to 6.5m...

With a standard working height of up to 6.5m, this machine also features an innovative built-in confined space hand-rail and step that provides an additional 500mm of height.

Suitable for use both indoors and outdoors, it's highly adaptable to a wide range of tasks, with an oil containment feature to eliminate the risk of leaks.

A 600mm extendable deck offers additional space when working at heights - especially useful for hard to reach areas.
